

VILLAGE OF WOLCOTT  
BOARD OF TRUSTEES  
PUBLIC HEARING  
MARCH 28, 2017  
6:00 pm

Members Present: Mayor Chris Henner, Trustees Dan Smith, Anthony Vezzose, Norma Stewart, Andrew Marshall

Others Present: Brett Norsworthy, Donna Graham, Gail Rowles, Larry Hogan, Lori Tyler and Karen Tyler

Public Hearing called to order at 6:00pm.

Mayor Henner stated that the purpose of the Public Hearing was to discuss the dissolution of the Village of Wolcott Planning Board, moving the powers of the Planning Board to the Zoning Board of Appeals and combining the membership of the two boards. This is due to the lack of membership between the two boards.

All members of the audience were given the opportunity to speak. Relevant conversation to this topic was surrounding the legality of this process. Mayor Henner assured the audience that the process was completely legally and in fact is the new recommendation made by NYCOM to other municipalities that are finding themselves in similar situations.

This topic will be decided by motion at the regularly scheduled Village Board of Trustees following this Public Hearing at 7:00pm.

Trustee Smith made the motion to adjourn the meeting at 6:34pm. Trustee Stewart seconded the motion. All voted in favor

Respectfully submitted,

Brett Norsworthy
